## “RUN WHAT YA BRUNG”, Any Safe Centerfire Rifle

This is a friendly introduction to NBRSA Benchrest conducted at the same time as this year’s first Registered NBRSA Match. No worry about NBRSA rules on the rifles: muzzle brakes, magazine-fed, semi-autos, bore sizes larger than .338, and rifles more than 13-1/2 pounds **ARE ALL ALLOWED.** Bench 13 will have a full-on benchrest rig for you to try, \$5 for 10 shots.

Participants get assigned to benches 1-12 on the 100-yard side of the Red Cliffs Range. Five targets provided, you post and retrieve your own, and score your own for bragging rights and your trophy wall. All while firing during regular Registered Match range commands and time limits with the match competitors on benches 15-23. All shooting finishes when the Registered Match ends.

**CROPPED ACTUAL SIZE IMAGE OF 100-YARD TARGET→**

**ENTRY FEE \$30 PER DAY, PAY \$20 AT THE RANGE OFFICE, THEN \$10 AT THE MAIN RANGE. ONLY 12 SLOTS GUARANTEED AVAILABLE EACH DAY. Reserve your spot by e-mail: [southernutahbenchrest@gmail.com](mailto:southernutahbenchrest@gmail.com)**

The shooter is allowed as many shots as desired on the sighter bulls and shoots **one shot on each record bull**. The center dot is considered the “X” [Roman Numeral 10] with the 10 ring being the first circle outside the dot. The 10-ring is 1/2-inch at 100 yards.

Best edge scoring is used—if the bullet hole touches the scoring ring, the shooter gets the higher points or the X. The shooter is allowed 7 minutes to complete a target card, including all sighters. You can shoot up to ten targets EACH DAY. We break for lunch (free pizza or sandwiches and bottled water) after five targets.
